Dear Judge Engelmayer:

Enclosed for Your Honor's consideration are courtesy copies of the following:

- (i) Memorandum in Opposition to Defendant's Motion to Dismiss; and
- (ii) Declaration of Emma L. Baratta.

We have highlighted certain exhibits which have been designated confidential and certain brief passages which quote or cite to those materials. Public versions of these documents will be filed by ECF promptly following the Court's ruling on whether the highlighted materials should be kept from public view.

Respectfully yours,
